Submit your engagement and recent wedding photos for Bridal Section

The Falmouth Outlook will be printing its annual Bridal Section on Tuesday, January 29, 2013. If you would like to have your engagement photos or recent wedding photos in it we need them by noon on Thursday, January 24.

See the advertisement inside on Page 11 or check it out on Facebook and the web site www.falmouthoutlook.com.

Obeys proper traffic laws when hauling or pulling wagons, etc

The Pendleton County Sheriff's Office has received complaints about "slow moving" vehicles, in particular farm tractors and/or pickup trucks pulling loads of tobacco or hay at night and operators of other moving vehicles not being able to see them from the rear due to the darkness. The officers have even worked at least one traffic accident over the last month due to this.

The Kentucky Revised Statutes state under KRS 189.820 that all slow moving vehicles "farm machinery" or vehicles capable of not more than 25 miles per hour shall be displayed with a "slow moving vehicle" emblem (yellow orange triangle with dark red reflective border) day or night while being operated on a public road in the Commonwealth of Kentucky.

The Pendleton County Sheriff's Office is asking that farmers who are pulling wagons with loads that make their flashing lights or slow moving emblems not visible from the rear to make sure that they have a vehicle following them with their emergency flashers on so approaching traffic can be aware of them.

Penalties are a maximum of a \$35 fine and is a misdemeanor or conviction.

Snow created a winter wonderland

By Debbie Dennie, Editor

Excuse the snow pictures but due to early deadlines during the holidays for printing the newspaper we are a week behind on the snow news and even though it was so aggravating with the power outages we wanted to say a little about the beautiful wonderland the snow created. The trees and everything else standing were beautiful weighted down with all of the snow and looked like one of those photos out of a cozy little area all glistening with the white snow that had fallen overnight.

The children and one adult we know of got to make snowmen. Others stepped back in time using kerosene lamps and stoves and the big decision came when those using generators had to choose one or two things that could be hooked up to the generator. There was also a perfect opportunity to have some of the snow creme.

The four inches of snow brought an abrupt halt to business in Falmouth and those areas surrounding

the city that had the electric off for many hours. The snow was so heavy that it snapped power lines and poles.

To drive through Falmouth that morning and afternoon was very unusual as there were no lights anywhere due to the electric being out. No McDonalds operating, no grocery store open, no gas pumps working. However, the exception to that was NAPA, owner Jeff Carson opened the store to sell what residents needed to power up their generators, and ACE Hardware and Barnes Hardware opened to sell items residents needed for the emergency. Thanks to these businesses for the extra mile they went. There may have been a few others in Falmouth that were open but these were all we knew of.

Falmouth Maintenance Supervisor Gary Lea called some of his city employees out around 3 a.m. to come clean the streets and other things they could do. County and state workers were out pushing snow to clear roadways, and other emergency management personnel were there

too, doing their job to get information to the residents and coordinate volunteers to help during the snow and power emergency.

For those that did not have fireplaces, kerosene stoves or generators to keep warm Pendleton County High School was opened up as a warm shelter with Red Cross volunteers there all night. At least 29-residents spent the night there. Others went to family or friends for a warm place.

There are five electric companies that service Pendleton County, Duke Energy, Kentucky Utilities, Owen Electric, Bluegrass Energy and city of Falmouth. Falmouth's outage was due to a main feeder line from Kentucky Utility being down caused by snapped poles. Electric was restored to Falmouth around 8 p.m. on December 29.

Bluegrass Energy had 1,449 residents in county without electric. In the southern part of the county had electric back on by 8 p.m. on the 29 and the remainder of the 110

Falmouth Tobacco robbed

Falmouth Tobacco & Liquor, located at 214 Ridgeway Avenue, was robbed around 11 p.m. on New Year's Eve, December 31. The robber, according to police reports, was wearing all dark clothing, a werewolf mask and had a weapon in his possession. Workers at the store said that he was stocky and about 5'8" tall. No other description could be given.

The robber fled on foot but his direction of escape was unknown. Police searched the area and set up units at Robbins Avenue and Main Street in an attempt to locate any potential suspects. A K-9, Hano, was used to try and pick up the robber's scent. He was able to trace it to Robbins Avenue but no further.

The amount of money that was taken is still unknown at this time.

Police recovered the werewolf mask the following day near Becky's Flower Basket.

If you have any information about this robbery please contact the Falmouth Police Department at 859-654-5555 or call 9-1-1 non-emergency at 859-654-3300.

KSP uses playing cards to obtain leads

Kentucky State Police (KSP) is renewing their effort to solve unsolved cases by asking the public for assistance with leads. In 2010, KSP distributed over 8,000 decks of playing cards to prisons across Kentucky depicting unsolved case information.

The deck of cards highlighted 52 unsolved Kentucky homicide or missing person cases. Since that time, three of those cases have been solved.

KSP hopes that sharing information with the public again will provide fresh leads that can help solve these cases and bring some closure to families.

Tpr. Michael Webb reviews the leads as they come in and disseminates the information to local posts.

"We have received hundreds of tips in the past two years that we hope will lead to more cases being solved," says Webb. "Not only do these tips assist with solving cases, they sometimes provide additional information about other criminal activity taking place."

KSP has placed copies of the complete deck of cards on its website at http://www.kentuckystatepolice.org/unsolved_cases.htm.

They have also established a toll free tip line where tips can remain anonymous at 1-877-735-2648. The public can also submit tips via email at kyunsolved@ky.gov.

KSP TV latest episode

Kentucky State Police (KSP) released the latest episode of 'KSP TV' focusing on collision investigation. KSP TV consists of short films in documentary style format that highlight the inner workings of the agency, giving the public an opportunity at a unique look inside of the agency.

To view KSP TV, you can follow this electronic link <http://www.youtube.com/watch?v=GsxYAGU6rpw&feature=youtu.be>

For more information about TV contact the Public Affairs Branch at (502) 782-1781.

New Dollar General Market to open soon

The new Dollar General Market store located on Ridgeway Avenue in the southern area of Falmouth moves closer to opening. The sign went up last week and crews are busy day and night getting it ready to open. The Dollar General Market stores took everything the Dollar General store had and expanded its selection of grocery, frozen and dairy items, while adding fresh produce and fresh meat.

Watch for an opening date for this store in next week's issue of the newspaper.

Winter weather brings snowmen to area

The first accumulating snowfall of the winter season brought more than just slick streets and power outages to the area on Friday, December 28 and Saturday, December 29. With the town quiet and serene, kids and adults alike took to the four inches of fresh powder and snowmen began popping up everywhere! The classic snowman pictured above was spotted at the home of Billy Hatton and Geraldine Teague on Beech Street.

Commonwealth attorneys sworn in

by Roger McKinney, Reporter
Kentucky Commonwealth Attorney Douglas Miller and Assistant Kentucky Commonwealth Attorney Michael W. Laws were sworn in by 18th Judicial Circuit Judge Jay Delaney in the first week of January 2013.

Douglas Miller is a lifetime native of Harrison County and was previously a litigation attorney with Swinford & Sims of Cynthiana. In 2009 he was appointed as commonwealth attorney to replace Doug Wright after his death in that year. In 2010 Mr. Miller ran for that

office and was elected to finish out Mr. Wright's term. In 2012 Mr. Miller ran again and was elected to a six-year term, which began January 2013.

Michael Laws graduated from Pendleton County High School in 1999 and received his undergraduate degree from Northern Kentucky University and his law degree from Chase Law School. In 2007 he was sworn in as assistant commonwealth attorney and served with Commonwealth Attorney Douglas Wright until 2009. Since that point Mr. Laws has served with Douglas Miller in the same

capacity.

Douglas Miller and Michael Laws have an office in Cynthiana. They prosecute felonies in the 18th Judicial Circuit of Harrison, Pendleton, Nicholas and Robertson counties.

Jay Delaney, 18th Judicial Circuit Judge, is a Pendleton County native, who while serving as district judge was appointed by the governor to replace the retired Circuit Judge Robert McGinnis. Jay Delaney was sworn in as 18th Judicial Circuit Judge on January 11, 2010.

Perruat recognized by Parent Teacher Student Organization

Each quarter the Parent Teacher Student Organization (PTSO) asks students at Pendleton County High School to provide a short essay to express their thoughts about a teacher who has impacted their lives throughout their high school years. The first recognized teacher is Mrs. Perruat.

Mrs. Perruat has taught at PCHS for 16 years, she has been designated a Model Classroom Teacher, taught World Civilization, AP World History, Psychology, Special Topics and is a department head. Her irrefutable dedication symbolizes the definition of "teacher." Here are

just a few quotes from her student's nomination essays: "Over the past three years, Mrs. Perruat has become a very inspirational and very important person in my life. She has pushed me to be my best, she has believed in me so much. Thank you Mrs. Perruat, you are the most amazing teacher a student could ask for," wrote PCHS senior Reggie Griess.

"She not only works incredibly hard to help kids learn, she also genuinely cares for each student and his or her success inside and outside these walls. She truly deserves to be recognized for all she does for her

students and all of PCHS," said senior Taylor Zumwalt in her essay.

Pendleton County High School strives to fulfill the vision "Achieving Greatness....Every Student, Every Day." And Mrs. Perruat has certainly done her part to make PCHS a "great" place to learn!

PTSO would like to say "Thank you and congratulations!" Mrs. Perruat will be given a \$25 gift card to a restaurant of her choice and attend a breakfast in her honor at the end of the school year, along with the students whose essays were chosen.

Megan Brown graduates from Cumberlands

The University of the Cumberlands (UC) announced that Megan Brown (Foster, KY) had graduated with a BME degree in Music Education, December 20.

In all 312 students received their degree. Of these, 52 bachelor degrees, 253 master degrees, and seven doctorate degrees were presented. Overall, 982 students received their degree in 2012 from UC making it the largest number of students to graduate from Cumberlands in a one year span.

Located in Williamsburg, Ky., University of the Cumberlands is an institution of regional distinction, which currently offers four undergraduate degrees more than 40 major fields of study; nine pre-professional programs; seven graduate degrees, including a doctorate and six master's degrees; certifications in education; and online programs.

Jason Logan has truck featured in 2013 Snap-on calendar

Jason Logan of Falmouth has the distinct honor of having his vehicle included in the 2013 Snap-shots Customer Vehicles wall calendar published by Snap-on Incorporated each year.

This popular, award winning calendar features classic, custom and restored vehicles that are pictured for each month of the year. It is a must-have item for

car and truck lovers worldwide.

Snap-on invites customers to submit photographs of their vehicles and after a lengthy judging process narrows the entries down to a final select group. A photo of Logan's 2004 Chevrolet Silverado made the cut and is displayed in the month of July along with the make, model, his name and state of residency.

Once printed and distributed, the calendars provide a daily reminder of the imagination, dedication and pride of vehicle enthusiasts worldwide.

Snap-shots calendars are only available from your local Snap-on Tools franchise or representative.

Congratulations Jason on a job well done!

KSP Post Six holds annual "Shop With A Trooper"

The Dry Ridge Post of the Kentucky State Police held it's annual "Shop with a Trooper" (SWAT) program on Saturday, December 15, 2012. Forty-one (41) children were picked up at their homes by KSP troopers and taken to Citibank on Houston Road in Florence where everyone was treated to pizza and drinks courtesy of the Citibank. The children met Santa and Mrs. Claus and were given a gift bag. Next was the shopping trip to the Florence Target where the troopers and volunteers assisted the children with shopping. Several items of clothing were purchased including coats, jeans, shirts, shoes, hats, and gloves along with toys. The Kentucky State Police would like to thank the following for making this year's program such a success: Citibank, Astar Cargo, The Bank of Kentucky in Falmouth, members of the Antioch Mills Christian Church in Harrison County and several other individuals that helped with donations to this great cause.

residents had electric restored by 8:12 p.m. on December 31. The heavy packing snow pulled the lines down causing some to snap in places and due to the terrain and wet ground in places the utility repairmen had to climb poles instead of being able to use the bucket trucks and material and poles had to be carried to the sites, said Bluegrass Energy spokes person Denise Myers.

Owen Electric reported around 963 members without power on December 29 and the majority was back on by 11 p.m. that evening and the remainder shortly after that, said Owen Electric Customer Care spokesperson Jim Petreshock. It was the first opportunity for the Emergency Management to use their new Code Red system to inform residents by phone and text messaging about what was going on and what the estimated time for the electric was to come on.

The CodeRed high-speed citizen notification solution replaced the previous OneCall telephone notification system used by the county over the last four years. Pendleton County has used the Reverse 911 system numerous times in the past to warn of severe weather, road closures and water boil advisories. It has also helped find missing people and been used in a variety of other notifications and continue to provide city and county officials the ability to quickly deliver messages to targeted areas or the entire city or county.

SCHOOL

Students can win \$1,500 for college

Kentucky students in grades K-6 have a chance to win \$1,500 toward college and \$500 for their school in the "Dream Out Loud Challenge." Students are invited to submit an original drawing, poem, essay or video answering the question: "How will I change the world after I go to college?"

The challenge, sponsored by the Kentucky Education Savings Plan Trust (KESPT), is intended to remind families that it is never too early to start saving and planning for higher education. Six winning entries will be selected by a panel of judges. One winner will be chosen from each of two submission categories - drawing or video and essay or poem - in grades K-2, grades 3-4 and grades 5-6. The winning students will receive a \$1,500 KESPT college savings account, and their schools will win \$500. The contest runs from Jan. 21 through March 22, 2013. Entries must be post-marked by March 22 and received by March 27.

KESPT is Kentucky's official college savings plan and is administered by the Kentucky Higher Education Assistance Authority and managed by TIAA-CREF Tuition Financing. The plan helps to invest in a child's future college education.

Visit www.kysaves.com to learn more about the challenge, including official rules and a complete description of entry requirements. No purchase necessary. Void where prohibited.

The NCAA I-A National Champions University of Kentucky Cheerleading amazed the crowd at the Cheer Cup at Pendleton County High School with stunts and throws flirting with the ceiling girders. The gym was overflowing with 18 squads performing their routines including exhibitions from collegiate squads UK, Morehead State and NKU and the PCHS CheerCats.

The Northern Kentucky University Cheerleaders were among one of the many squads to make an appearance and perform at this year's second Pendleton County Cheer Cup held at the high school on Saturday, January 5.

Perennial national cheerleading champions, the Morehead State Eagles, were on hand to thrill the audience with their incredible acrobatic performance at this year's Cheer Cup held at Pendleton County High School, Saturday, January 5. Falmouth resident Myron Doan coached the squad for many years and led them to 18 National Championships. He has also been instrumental with cheerleading activities in Pendleton County.

Nation's best cheerleaders perform at PC Cheer Cup

While the excitement and spirit was high for the 18 teams performing and competing at the 2nd PC Cheer Cup, the excitement about blew the roof off the PCHS gym when perennial national champions Morehead State and University of Kentucky squads as well as new NCAA DI squad, NKU, took to the mat at the Cheer Cup at PCHS on Saturday.

"To think of all the time, work and dedication these athletes put in to become National Champions in 2 1/2 minutes is mind boggling. Actually seeing them in our home gymnasium was inspiring to our girls and something our community will never forget." Cheer Cup coordinators Cheri Griffin and Darlene Wright pointed out about the level of performance that was on display.

In both Morehead State and UK's cheer squads, approximately 40 national championships were represented and the level of stunts and routines were amazing.

PCHS Varsity CheerCats coach Kelley Carlisle pointed out just that, "Saturday we hosted the BEST teams in the world, and it was a show that amazed many and may have even changed some old opinions on cheerleading."

She continued, "After all these years, they still make my jaw drop. The fact that those teams want to come back next year shows how great of an environment our school is, and how well we are doing hosting a competition. All three colleges mentioned how wonderful and energized our crowd was and they realized they have cheerleading fans all over the state."

While the collegiate squads used the exhibitions to prepare for the national competition this month, the high school squads were doing the same for their regional competition on January 19th.

The Pendleton County's CheerCats started the day with an exhibition performance, giving the PC Varsity coaches a great opportunity to get valuable feedback from the judges as they prepare for regional competition on Saturday, January 19 at Montgomery County starting at 9:30 a.m.

"Going into the performance today, we were hesitant due to changes that have had to be made due to injuries recently." Varsity coach Sherry Wirth commented about the opportunity to perform at the PC Cheer Cup. "Some things hit and some things didn't but we will take the feedback from the judges and fix what isn't working. I am confident in this squad and look forward to bringing home the KHSAA Region trophy and advancing to state competition."

Co-Varsity coach Kelley Carlisle agreed with the importance of being able to perform. "We had two injured and couldn't tumble and one fresh back from injury. We had five kids on the mat that had never competed/performed before. Having said that, we weren't that prepared but knew it was a step we had to take. The girls were disappointed with their performance. Since then it has motivated them to get back in the gym and make sure they don't feel that disappointment again. Looking back two days later, we realize it was something our team had to face to get better. We are still confident that we are talented enough and have a routine worthy of winning Region."

Sharp Middle School started a new competitive cheer squad to complement the cheer program at football and basketball games this season and they picked up the first place trophy for the Medium Division.

Cheer coach Amber Burgemeir was pleased with Sharp's success. "The hard work and dedication paid off for these girls who have been practicing since June for competition. They performed extremely well and we are very proud of how they represented Sharp Middle School. We are looking forward to their next competition at NKCAA on March 1-2."

Named overall champions were All-Star Division, Limestone YMCA; Recreational/Elementary Division, Fleming County Gold; Middle School Division, Twenhofel Middle School; High School Division, Nicholas County High School.

Like any major event, planning, an army of volunteers, and strong

leadership at the top is the only way that these things are pulled off.

"We had talked about it for years and finally decided to contact Myron Doan for his guidance in getting it together." Cheri Griffin commented about how this all got put together.

"We then decided it would be a fund raiser for the Pendleton Rec Cheer Cats. Along with the Cheer Cat parents begin work in the summer getting the information out about the competition. One of the greatest things about this competition is to see how everyone works together to pull this off!"

A Falmouth resident, Myron Doan made his name in the cheer community coaching Morehead State to 18 National Champions and has been instrumental in raising the level of cheerleading activities in Pendleton County.

Coach Carlisle concurred, "There is no way we could pull any of this off without some really dedicated alumni who happen to have excellent cheer knowledge and wonderful resources. Myron Doan, Cheri Griffin, and Darlene Wright spend many hours making this happen and then all of our programs just jump in to do our part. It takes a small army and we have great soldiers here."

"It was a very impressive day in Pendleton County." Athletic Director Keith Smith commented. "The routines and the stunts that were done on the mat was simply jaw dropping and left many in the audience dumbfounded on what was being done by the cheerleaders at all ages. The UK Cheerleaders were coming within 6-8 feet of the ceiling when they would be tossed. But our parents and boosters matched what was being performed on the mat with what they did off the mat. It was a great day that showcased what Pendleton County can do when they get together and work as a team. Major kudos to the committee who put it on and all of the parents, coaches and supporters who stepped up to help."

Cats beat Bracken; lose to Montgomery on Alumni Night

By Bruce Reller Jr., Reporter

The Pendleton County Wildcats played two games last week and it resulted in a 1-1 split. They defeated Bracken County on the road 77-72 and lost a home game to Montgomery County 92-77.

The Wildcats first took on Bracken County last Wednesday, January 2. The Polar Bears kept it close throughout the game, but Pendleton County was able to pull it out by five points.

"We struggled with playing defense, especially in the half court," Wildcats head coach Ed Cravens said. "We scored in the mid 70's but gave up way too many easy baskets, often uncontested jumpers."

Coach Cravens hopes they can contribute this to the first day back to school and trying to get back into the routine. But his Wildcats did pick up their 7th victory of the season with the victory.

Wildcats: Monroe 18, Moore 17, Gibson 17, Appleman 13, Pyles 6, Colvin 4, Koeninger 2, Total Points: 77. Bracken County: Ray 23, Haight 12, Jefferson 12, A. Crawford 9, G. Crawford 9, Florer 5, Stephensen 2, Total Points: 72.

PC came back home to face a very tough and talented Montgomery County team last Friday, January 4. It was also Alumni Night at the basketball game, which drew a large crowd.

The Indians took control early as they pulled out to an early 22-9 lead after the first quarter. Montgomery County put the pressure on the Wildcats and made plenty of shots.

Pendleton County had a chance to cut into the lead in the second quarter, but a technical by the Wildcats in the quarter turned it into a 6-point swing for the Indians, who

led by 16 at halftime.

"That happens. It was a turning point in the game," Cravens explained. "Montgomery County is one of the top 20 teams in the state. We worked hard and battled with them."

The Wildcats could never get the lead really close until the fourth quarter, but the Indians would answer

and picked up their 13th victory of the season 92-77.

Montgomery County senior Omar Prewitt scored a team-high 32

P.C. Ladycats basketball team hits three game slide

Post Christmas, the Ladycats defeated Rowan County 37-32 in the first game of the Bourbon County Christmas Tournament. In the first game of the second game vs Lexington Catholic, a team that has won the state title twice, they held a 21-11 lead. Everything looked good for the Cats as they wanted to make a statement that they were one of the best teams in the 10th Region.

Since that point, what has been reality is that the PC's defense has fallen apart being outscored 191-131 in three straight losses. The three losses were Lexington Catholic game 67-51, Pendleton versus Bourbon Co 62-44 and Pendleton-Beechwood 62-57.

"Fouls have played a major role in our losses as we continue to play defense with our hands and not moving our feet," PCHS Varsity Coach Scott Collins lamented about the offensive explosion of their opponents over the last three games.

"We get in foul trouble and we lose offensive threats because they have to sit to be protected for the second half. Our bench is having to play out of place and are young and don't have the varsity experience. We need our starters to need to step up their play, stop penetration and quit trying to steal every ball."

While the Ladycats were dangerous from behind the arc in 2011-12, they have been outscored 60-24 from behind the arc in the last 11 quarters.

"Our outside shooter has not been consistent," Coach Collins continued, "Our shooters need to be focused. Defensively, we are getting rubbed off on perimeter screens and we quit instead of fighting through them."

Against Rowan County, the Cats' defense was tough holding them to

just 32 points including three in the second quarter when Pendleton took a 19-15 lead.

Ashten Wolfe led the way knocking down 8 of 10 free throws in the first half scoring 10 of her Ladycat leading 12 points. The second half was a tight game and the Cats held on for the victory.

Ladycats: Boden 2 2 7, Hall 1 0 2, Manor 1 0 3, Wolfe 1 10 12, Jolley 4 2 10, McClanahan 0 3 3, Totals 9 18 37
Pendleton 9 10 7 11 37
Rowan Co 12 3 7 10 32

The victory setup the Lex Cath matchup and the long ranger bombers of the Ladycats were on fire in the first quarter.

Bradi Boden hit two along with McKayla Manor and Isabella Hall added one of her own. The five 3-pointers in the first 8 minutes paced the Cats to a 21-11 lead.

Since that point, the Ladycats have only been able to hit eight 3-pointers in the next 88 minutes while allowing 20 for a 60-24 deficit.

Lexington Catholic hit eight the rest of the way in their victory. Bourbon County hit seven in their win while Beechwood's five contributed to their 5-point victory.

McKayla hit four 3-pointers in the Catholic game to pace the Cats with 14 points while Bradi finished with 13.

Ladycats: Boden 3 4 13, Wanstrath 2 0 4, Hall 2 0 6, Fitzpatrick 1 2 4, Manor 5 0 14, Wolfe 1 4 6, Jolley 3 2 8, McClanahan 0 1 1, Totals 17 13 51
Pendleton 21 10 10 10 51
Lex Cath 11 23 21 12 67

Only one Ladycat tallied double digits in the Bourbon County game with Bradi having 13 going a perfect 6-6 from the free throw line.

Cincinnati Bengals make back-to-back playoff appearances

By Bruce Reller Jr., Reporter

The Cincinnati Bengals returned to the National Football League (NFL) playoffs after beating the Pittsburgh Steelers 13-10 in Pittsburgh on Sunday, December 23.

The Bengals made the playoffs in the American Football Conference (AFC) for the second consecutive year. It was their first back-to-back playoff appearance in 30 years.

After starting the year 3-5 and losing four games in a row, the Bengals won seven of their last eight games, including victories over the Steelers and the Baltimore Ravens to end the regular season.

The Bengals finished the year at 10-6 and clinched the 6th overall seed in the AFC playoffs. Cincinnati played the #3 seed Houston Texans for the second year in a row in the playoffs.

After losing 31-10 against the Texans last season, the Bengals were hoping for a better fate this year. Again, the Bengals had to travel to Houston last Saturday, January 5.

It was a close game throughout, but the Bengals couldn't muster much offense. Cincinnati scored only two field goals on offense and scored their lone touchdown on a

Leon Hall interception in the second quarter that he ran back 21 yards for a pick 6.

The Texans led 9-7 at halftime, and the Bengals looked like they had a chance. However, the Bengals scored just six points in the second half and ended up losing the game 19-13.

Houston scored their lone touchdown on a 1-yard touchdown run by Arian Foster. Former Bengal Shayne Graham kicked four field goals to help his Texans secure the victory.

Cincinnati quarterback Andy Dalton was 14 for 30 passing for 127 yards and one interception. Bengals wide receiver A.J. Green had five receptions for 80 yards (one reception went for 45 yards). Green was only targeted 11 times in the game. Dalton and Green are second in NFL history for touch-

points in the victory. He has signed to play with a Division I school next year, and he was impressive the whole game.

"We held him to 30 points. We did a decent job on him," Cravens said. "I'm very proud of all of our kids. It was not a cake walk."

Pendleton County senior Mason Monroe was the high man in the game as he scored 37 points. Also, senior Ethan Moore recorded a double-double, scoring 22 points and grabbing 14 rebounds.

Coach Cravens said not a lot of teams would schedule a game against a high quality team like Montgomery County on Alumni Night, but it was good for his team.

"You have to play them all. You have to go through them all," Cravens said. "I'm very proud of them. They battled with them."

The Wildcats also played Oak Hills, Ohio on Friday, December 28. Senior Jake Richmond scored 36 points for Oak Hills as they defeated Pendleton County 57-54.

"He was on fire. We could not seem to stop him," Cravens said about Richmond. "He is a 6'2" guard forward who is an exceptional athlete."

This week, the Wildcats (7-7) will play three games, two of them on the road. They will host Calvary Christian tonight at 7:30 p.m.

PC then heads to Bishop Brossart (11-2) this Thursday for a 7:30 p.m. game and end the week at Ryle Saturday for a 4 p.m. game.

Wildcats: 9 19 20 29 77
Montgomery 22 22 17 31 92
Wildcats: Appleman 10, Gibson 6, Monroe 37, Koeninger 2, Moore 22. Montgomery: Lockridge 1, James 11, Hall 1, Prewitt 32, Hudgson 8, C. Hall 2, Jones 11, Combs 12, Wallace 14.

Ladycats: Boden 3 6 12, Wanstrath 1 0 2, Hall 2 1 5, Manor 2 0 5, Wolfe 2 2 7, Jolley 4 1 9, McClanahan 1 2 4, Totals 15 12 44
Four dented the double digit point total against Beechwood with McKayla leading the way with 15. Taylor McClanahan had a strong second half scoring all 11 of her points. Heather Jolley also scored all of her 10 points in the second half as the Ladycats rallied back from a 29-20 half-time deficit.

They got within two points but a key point at the end of the game saw Ashten Wolfe who had 10 points and was running point with Isabella Hall out sick, controversially foul out. Pendleton's book had her with four fouls and the coaching staff concurred. But the home, official book of Beechwood had her for five fouls and Ashten headed to the bench.

The momentum behind the run was squelched and Beechwood picked up the victory.

Ladycats: Boden 1 2 5, Wanstrath 1 0 2, Fitzpatrick 2 0 4, Manor 5 4 15, Wolfe 4 2 10, Jolley 5 0 10, McClanahan 3 5 11, Totals 21 13 57
Pendleton 10 10 19 18 57
Beechwood 17 12 18 15 62

Ladycats are on the road next against a very tough Mercer County game on Friday, January 11th and then East Jessamine on Saturday. Next Monday, they travel to Campbell County to play the always tough Lady Camels.

The only action for the JV/Freshmen teams was a freshmen preliminary game versus Beechwood. The Kittens won 31-22 behind Amberly Purdy's 19 points and holding the Lady Tigers to a scoreless opening stanza while taking a 8-0 lead.

down connections in their first two years with 16 touchdowns.

However, the offense was lacking throughout the game for the Bengals. They mustered 198 yards in offense compared to the Texans 420 yards. Also, Cincy was 0 for 9 on third down.

Coach Marvin Lewis is 0-4 in the playoffs, and the Bengals have gone 22 years since their last playoff victory in the early 90's.

If the Bengals want to make a run in the playoffs in the near future, they need to get better offensively. They have one of the best defenses in the league, but their offense needs some work.

Only time will tell if the Bengals can end their drought in winning a playoff game. Congratulations Bengals on another exciting season!

MANAGEMENT TRAINEE

Job Description: Management Trainee for newspapers serving several regions in the Midwest

Do you love the media business? The Delphos Herald, Inc. is looking for several entry-level management trainees. The right candidate will learn all they need to know to run a community newspaper publishing operation. We are seeking savvy, hard-working self-starters with strong online computer skills, sales aptitude, excellent written and verbal communications skills, and good spelling ability. The right candidate must have great relationship skills and, above all, the competitive drive to win.

Starting salary is \$24,000. Our average management trainee has doubled starting pay within a few years. The Delphos Herald, Inc. has locations in seven states and we need trainees to move into management positions at the locations in those states after an 18-month training period.

We offer an excellent compensation/benefits package, which includes most costs associated with relocating to our communities. This job is challenging and, while not for everyone, provides an opportunity to start a great career in the fast-changing media industry.

To apply, email rgear@delphosherald.com. Please send a letter describing yourself and your accomplishments. Include details of experience from selling ads for your high school or college newspaper to being an officer of a club, scholastic honors earned or winning a cookie sales contest. Our screening process will include: aptitude tests and background checks, including credit history.
